* **Prize winner and seeded through average score as well**

≈ **seeded because of being individual prize winner**

Note:

- All those with average of more than 07 *kareys* (but not including 7 kareys) have been included as the 2013 Seeded Archers. These average includes league matches and wherever applicable knockout, quarter and semi final and final matches as well. It takes in account of each individual's participation in number of matches and so could differ from the number of matches the team have played. For eg: a team may have played six matches (into the semi finals) but one of their team member may have only played 3 matches. So, for the seeding purposes, only of the three matches that individual have played is taken into account. This is as per the team captain meetings and announcements done in 2012.
- Each player of 2012 Yangphel Open Archery Tournament can learn their average performance along with national average, regional team and individual average, from the Seeded List page of www.bhutanarchery.com
- The tournament would tentatively start on July 16 with final match tentatively scheduled for Aug 31, 2013.
- The league phase would be simultaneously played in different regions while advanced stages (Knockout, Quarter, Semis and Final) would be played in Changlimithang
- The registrations for the 2013 17th Yangphel Open Archery Tournament will open by **June 15th**
- The registrations would be closed by **5 PM July 5th 2013**
- For those in THIMPHU, there would be TEAM CAPTAIN MEETING on the July 6th 3 PM at the YDF Cafeteria for distributing bacho and other announcements
- The team captains are requested to submit passport size photographs and citizenship ID card copies of the team members during the registration.
