Note:

- All those with average of more than 07 *kareys* i.e 7.1 onwards (but not including 7 kareys) have been included as the 2014 Seeded Archers. These average includes league matches and wherever applicable knockout, quarter and semi final and final matches as well. It takes in account of each individual's participation in number of matches and so could differ from the number of matches the team have played. For eg: a team may have played six matches (into the semi finals) but their team member may have only played 3 matches, then for the seeding purposes, only of the three matches that individual have played is taken into account.
- Each player of 2013 Yangphel Open Archery Tournament can learn their average performance from the Seeded Players page of www.bhutanarchery.com
- **The tournament will start on July 11 with final match scheduled for Aug 30, 2014.**
- The league phase would be simultaneously played in different regions while advanced stages (Knockout, Quarter, Semis and Final) would be played in Changlimithang
- The registrations for the 2014 18th Yangphel Open Archery Tournament will open by **June 11th**
- The registrations would be closed by **6 PM July 4th 2014**
- The team captains are requested to submit passport size photographs and citizenship ID card copies of the team members during the registration.
